

Adaugare Email secundar pentru a primi mesajul automat de resetare parola

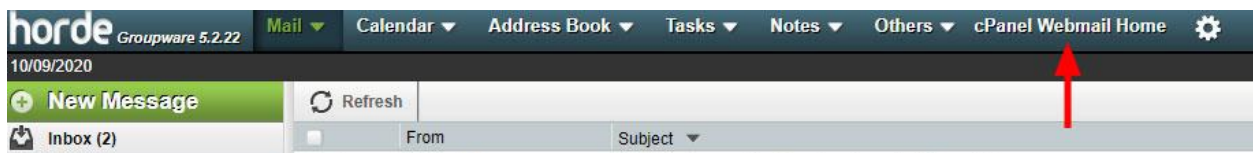

Din pagina de home a webmail-ului deschideti drop-down-ul de la butonul cu adresa de email din dreapta sus si intrati in Contact Information

The screenshot shows the Roundcube webmail interface. At the top right, the user's email address 'test@unmb.ro' is displayed in a dropdown menu. A red arrow points to the 'Contact Information' option in this menu. The main content area includes sections for 'Open your inbox', 'Set up email on your device', 'Change your webmail client', and 'Manage Your Inbox'.

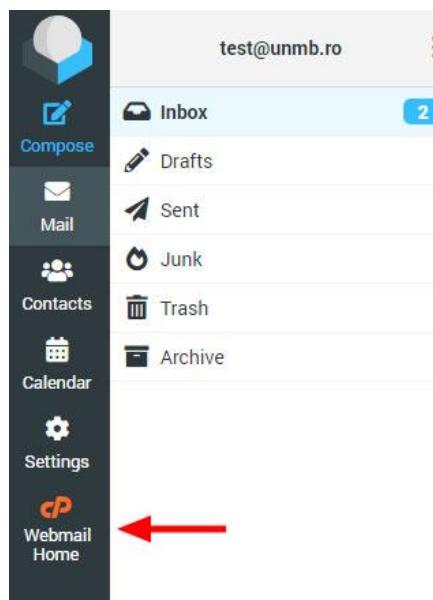

Daca aveti setat sa intre automat in un client de email (roundcube/horde) dati click pe **Cpanel Webmail Home** pentru a va intoarce in pagina de home.

Locatie buton Horde:

The screenshot shows the Horde webmail interface. The top navigation bar includes buttons for 'Mail', 'Calendar', 'Address Book', 'Tasks', 'Notes', 'Others', and 'cPanel Webmail Home'. A red arrow points to the 'cPanel Webmail Home' button.

Locatie buton Roundcube:

The screenshot shows the Roundcube webmail interface. The left sidebar contains buttons for 'Compose', 'Mail', 'Contacts', 'Calendar', 'Settings', and 'Webmail Home'. A red arrow points to the 'Webmail Home' button.

La Contact Information, mutati emailul existent in campul pentru email secundar (ca sa puteti primi in continuare mesaje de notificare/erori de trimitere, pe contul actual de mail) si introduceti o alta adresa de email in campul primar, adresa pe care veti primi codul pentru resetarea parolei in caz ca o uitati.

Edit Contact Information and Preferences

You may use an email address on a domain that this server hosts. However, we do not recommend this, because you may fail to receive messages when the server encounters problems. For example, if your mailbox exceeds its quota, you will not receive any new email, including notices.

ex: test@gmail.com

Enter an email address to receive account notifications and password reset confirmations.

Enter a second email address to receive account notifications and password reset confirmations.
